About EDP University

History

EDP University of Puerto Rico, Inc., founded in 1969, began as a post-secondary education institution to respond to the rising demand for skilled workers in the data processing field. Its founders, Engineer Aníbal Nieves and Gladys Vázquez, developed the first technical course to train professionals who could manage the first phase of mechanization of the government and create computer programs that would address local needs.

In its 56-year history, EDP has expanded to six academic units that are strategically located throughout Puerto Rico: Hato Rey, San Sebastián, Manatí, Humacao, Villalba, and Caguas, and include distance learning programs.

Mission

EDP University of Puerto Rico is higher education institution a technological and socio- humanistic higher education Institution, leader in the education of professionals in the Arts, Sciences and Technology. We constitute a learning community that offers graduate and undergraduate academic programs through diverse modalities that promote active learning and the integral development of students, as they are the center of the educational process.

Vision

EDP University of Puerto Rico embraces knowledge and its pursuit as a cornerstone for innovation and transformation, through academic spaces and research. Its focus will be on cultivating leadership, entrepreneurship, and the search for solutions to fundamental problems within the Hispanic American community.
